EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Kenneth Salen on 1-5-2004.

The application has been amended as follows:

In claim 3, line 19, after "relationship $a+b \geq 2$ " insert "wherein said hair growth additive is present in an amount sufficient to increase the hair growing effect of the hair growing agent"

Allowable Subject Matter

Claim 3 is allowed.

The following is an examiner's statement of reasons for allowance:

Instant claim is allowed because the claimed polyoxyalkylene silicone is not recognized by the prior art as a hair-growing additive for increasing the hair growing effect of a hair growing active agent. Applicants have shown that the claimed additive exhibits hair-growing effect even with reduced amount of hair growing active agent.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
